

Plasma Display Floor Stand

Features

Boardrooms, entrance lobbies, retail displays and many other facilities can be complimented with a plasma display mounted on the Gilkon 8FSLU 339 Floor Stand. This unit will accommodate virtually any size display up to 100 kg.

Column has cable management. Includes bracket for plasma screen. Bracket can be secured with keyed push button locks to prevent theft. Silver pearl finish. Two accessory shelves to hold VCR, DVD and related equipment are included.

Made by Gilkon in Australia.
